ADDITIONAL INFORMATION

Driving Licence

- **Driving Licence:** B

Communication and interpersonal skills

- **Communicative** I am a highly communicative person, easy going and capable of transmitting ideas and decisions at coworkers as well as working under tension. I believe that good communication between colleagues is the key to success in daily work.

Management and leadership skills

- **Great managing skills** Managing a group of certain people with the goal of finishing a job with the highest efficiency and the lowest cost is one of the reasons I joined engineering.
